Learn From the Generals of the Markets

by Azeez Mustapha

Kindle and paperback

If you want to win on the trading battlefield, you need the right ammunition

Trading is like any other profession: to succeed, you need to arm yourself with the necessary skills. Enter the arena without knowing what you are doing, and you are sure to lose your money.

You need help from the experts.

In this new book *Learn From the Generals of the Markets* Azeez Mustapha profiles twenty renowned super traders from around the world, great traders who know what it takes to be successful in the markets. The book gives an overview of their careers and explains what lessons can be drawn from their success, so you can apply their methods and techniques to your own trading. It will help you gain the expertise you need to improve your prospects.

This essential guide should be part of every trader's armament.
