What Super Traders Don't Want You To Know

by Azeez Mustapha

Kindle and paperback

If you want to succeed as a trader, you need to learn the necessary skills.

Risk your money on the markets without knowing what you are doing, and you could lose it all. Just like any other profession, to be a trader requires you to learn from the experts.

What Super Traders Don't Want You To Know profiles twenty-two renowned super traders from around the world, great traders who know what it takes to be successful in the markets. In this follow up to his previous book *Learn From the Generals of the Markets*, Azeez Mustapha gives an overview of their careers and explains what lessons can be drawn from their success.

You can apply their methods and techniques to your own trading, and gain the expertise you need to improve your prospects.

This essential guide could start you on the path to becoming a super trader.
