Super Trading Strategies

Tapping the Hidden Treasure in the Markets

by Azeez Mustapha

Kindle and paperback

If you want to be a success trading on the Forex markets, you need to know what you are doing.

Learning by trial and error can be expensive and one wrong move could wipe you out. You need help to know what strategies work and how they should be used. *Super Trading Strategies* gives you a set of concrete and easy-to-use trading strategies that will help you on your way to making money on the Forex markets as well as the stock and futures markets.

These super trading strategies include short-term, long-term, swing and positions trading strategies. Some are ideal for part-time traders and some for full-time traders.

Each strategy is explained in detail with examples of how they can be used and charts illustrating the currency movements to which they apply. At the end of each chapter, a strategy snapshot summarises what you have learned. *Super Trading Strategies* will help you win the battles of the Forex markets.

The strategies were previously published in TRADERS' magazine.
